

Bio for Professor Shie-Yuan Wang

S.Y. Wang is a professor of the department of computer science at National Chiao Tung University, Taiwan. He received his master and Ph.D. degree in computer science from Harvard University in 1997 and 1999, respectively. His research interests include computer networks, software-defined networks, network simulations, operating systems, and cloud computing. He received the “Outstanding I.T. Elite Award” of Taiwan R.O.C. government in year 2012, which was bestowed by the Vice President of Taiwan R.O.C. government. He authors the NCTUns/EstiNet network simulator and emulator, which is now a famous tool widely used by researchers all over the world. In year 2012, the EstiNet tool also won the “Outstanding I.T. Application and Product Award” of Taiwan R.O.C. government.
